Our dogs are in our homes, socialized, exercised daily and come with various levels of training. They are Micro Chipped, current shots and Rabies; they have been de-wormed and treated with a monthly topical flea treatment. We have certain protocol for certain dogs. If protocol is not followed by the adoptee, this is a cause for concern for the best interest of the dog. We stay in touch with our adoptees, to ensure a smooth transition for the dog and you. We are here for you every step of the way. We offer an hour and a half of FREE training to each adoptee, which is usually provided in two 45 minute sessions. If you are approved to adopt from **The Lovejoy Foundation**, do you agree to have open communication with **The Lovejoy Foundation** with updates on the dog's progress, reasonable amount of time to return phone calls from us and send pictures every so often to keep us in the loop on your happiness with the dog? Yes \_\_\_\_\_ No \_\_\_\_\_
